Please order using these special Fisher Scientific catalog numbers to take advantage of package pricing on ultra-low freezers and environmentally-friendly disposal of old freezer. No redemption necessary. Please include your contact information with your order. You will be contacted by Thermo Fisher Scientific and sent a Bio-Hazard Certificate for Disposal form which must be completed and returned per instructions on the form, prior to the shipment of your new ultra-low freezer. Once the form is received back to Thermo Fisher Scientific, and your freezer ships, you will be contacted by the carrier to schedule the delivery date. In the event that your old freezer is not ready to be removed at the time of the scheduled delivery date and a return trip by the carrier to pick up your trade-up freezer is necessary, a $550.00 fee will apply. *Haul away of old freezer required to take advantage of this limited time promotional pricing offer. Please have old freezer’s asset tags removed before the scheduled delivery date. **Old freezer must be at room temperature and decontamination form must be received by Thermo Fisher Scientific before freezer can be removed from site.
