Submitting Your Order

- **Make any changes** to your cart by using the options to the left of each line item or by typing into the editable fields.

- After making changes, click the **Update** button for the line item or at the top of the list.

- Click the **Proceed to Checkout** button at the top of the page. If you’re a Window Shopper, click the **Assign Cart** button to choose an assignee who can submit your cart.

- **Review** your requisition and enter required information or make changes.
  - To make a change for the **entire requisition**, click “edit” in the appropriate section (by choosing the section from the list on the left, or in the Final Review screen.)

- To make a change for an **individual line item** navigate to the appropriate section using the links on the left, then click the “edit” button in the line item.

- Click the **Place Order** button at the top of the page. Your order has now entered the approval process.
