### STATE

The State of California Information Practices Act of 1977 (effective July 1, 1978) requires the University to provide the following information to individuals who are asked to supply information.

The principal purpose for requesting the information on this form is for payment of earnings, and for miscellaneous payroll and personnel matters, such as, but not limited to withholding of taxes, benefits, administration, and changes in title and pay status. University policy and State and Federal statutes authorize the maintenance of this information.

Furnishing all information requested on this form is mandatory--failure to provide such information will delay or may even prevent completion of the action for which the form is being filled out. Information furnished on this form may be used by various University departments for payroll and personnel administration, and will be transmitted to the Federal and State governments as required by law.

Individuals have the right to review their own records in accordance with University personnel policy and collective bargaining agreements. Information on applicable policies and agreements can be obtained from campus or Office of the President Staff and Academic Personnel Offices.

The officials responsible for maintaining the information contained on this form are: Office of the President and Campus Academic and Staff Personnel Offices.
